

# Front tree removed by Town of Brookhaven Friday afternoon

Remains of front tree viewed from the street

Remaining cleanup of this is my responsibility

Back tree removed by Big R Tree Service Saturday morning

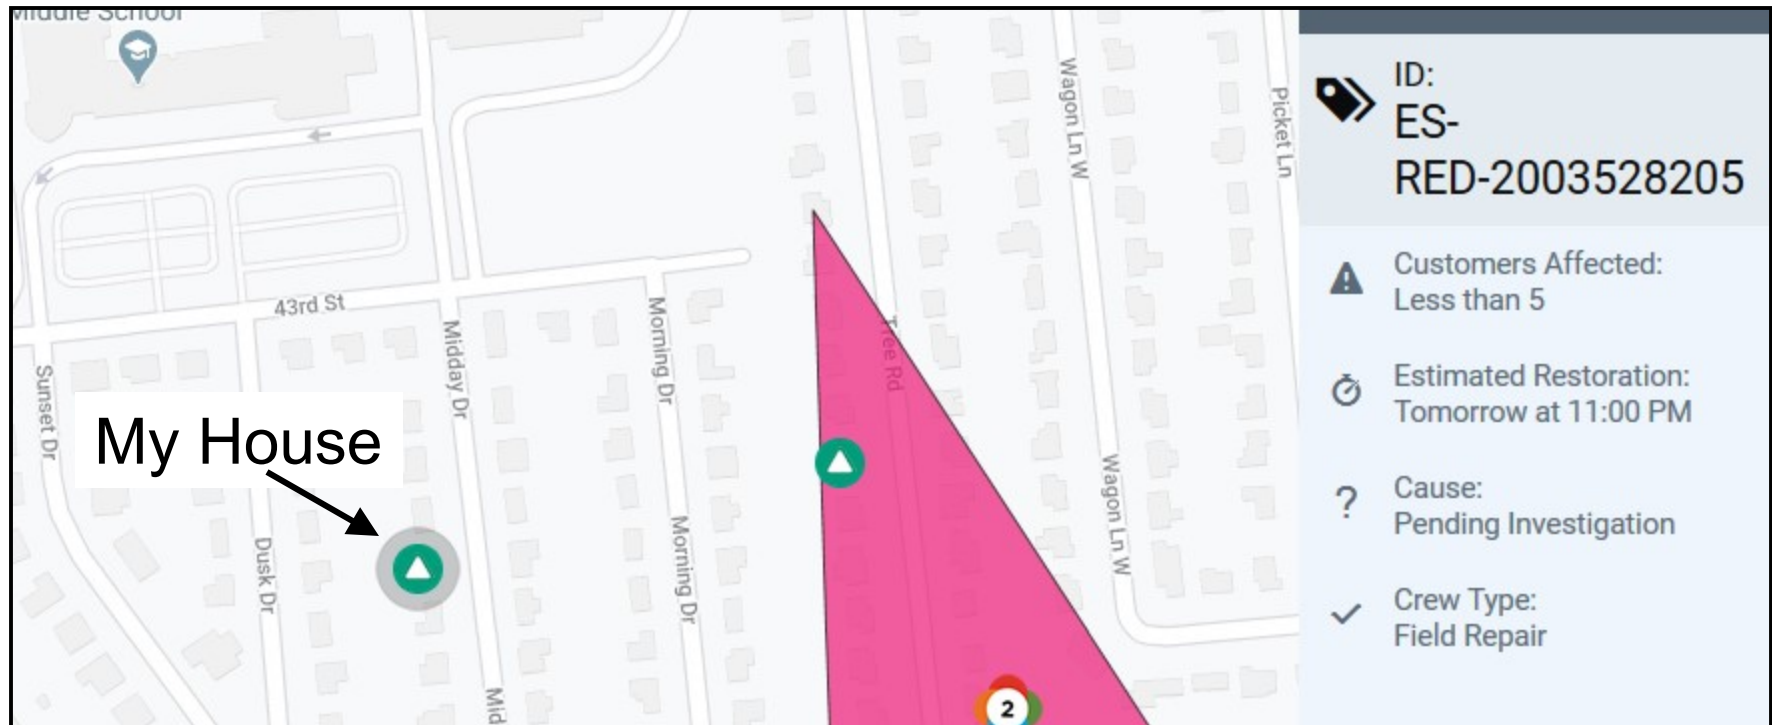

They put off the stump removal. Other jobs are safety issues and take priority.

PSEG is promising power service restoration 11 PM Sunday.

Started out as 9:30 AM Friday. 9:30AM became 11:00 AM Saturday, which became 11:00 PM Sunday. 11:00 Sunday will become ... ???

96 hours with no electricity so far with no end in sight. This is what I get for being the only one on my block without power.

Is this the year 2020 or is it 1930??
